

- 20 Amenities block for All Abilities Playground and picnic area
- 21 Possible additional amenities block for events space # 3
- 22 Main picnic area under existing trees
- 23 Kick-around space
- 24 18 x existing Fig trees
- 25 Proposed All Abilities Playground site (subject to EPA approval)
- 26 Wheelchair access to beach
- 27 Butchulla monument and indigenous interpretation. Possible gathering and teaching space in grass clearing under trees.
- 28 Possible future bus stop
- 29 Possible grass overflow parking area for events
- 30 Existing bat colony interpretation
- 31 Proposed roundabout to Taylor Street / Esplanade junction
- 32 Addition to heritage trail and link to Zephyr Street Museum
- 33 Cycleway re-routed to avoid Esplanade and car movements to site. Incorporates heritage trail from Zephyr Street Museum to Pialba Community Hall. European, Indigenous, Kanaka and natural areas interpretation.
- 34 Foreshore and / or steep bank regeneration and stabilisation
- 35 "Kitchen" area requested by Butchulla TLOs and nominated for revegetation
- 36 Proposed Water Park car park

- 1 Events space # 1
- 2 Events space # 2 (Note permanent low height fencing to events # 1 and # 2. A "second storey" could be added during events).
- 3 Events space # 3 and overflow parking
- 4 Events main entry
- 5 Feature paved forecourt to events spaces (indicative only). Cycle racks. Possible markets space and truck access (via shared zone) to events space # 3.
- 6 Sand storage and screening area for beach replenishment (except during events)
- 7 Existing stage refurbished. Extra toilets and performer change rooms, events kitchen and possible outdoor dining.
- 8 New events storage building
- 9 Events small truck turnaround
- 10 Existing car park upgraded for performer parking, events delivery access, emergency services, waste collection and maintenance access. Available to Water Park when not in use for events.
- 11 Demountable modular stage(s) for flexible location
- 12 Shared vehicular / pedestrian zones
- 13 Wheelchair accessible path from events site to Main Street
- 14 Fig Tree pocket to be upgraded
- 15 Proposed upgrade to Charles and Main Street junction (indicative)
- 16 Stairway (in existing clearing) to link Hillyard Street to events site
- 17 Feature wavy paving (as proposed at Gilligans Backpackers Resort) to be continued by successive developers along this stretch of Esplanade
- 18 Nose-in car parking in wide road verge
- 19 Car parking for Playground, picnic area and events

**SEAFRONT OVAL AND EXTENSION  
LANDSCAPE MASTER PLAN**

Concept for Executive and Council Approval  
prior to second round of community consultation

Scale: approx 1:1500 at A2
